

Visiting Factor Tachtig

You are going to visit Factor Tachtig. Awesome! We are located in Plan-B, a former Philips laboratory in Eindhoven.

We are easily accessible. If you travel by public transport, 'Hurksestraat, Eindhoven' is your stop. Are you coming by car? Then you can park near the building. Tuesdays and Thursdays are busy days, but there is always a place available around the area. You can park your bike in the bicycle storage next to Plan B. [Click here](#) for the optimal route.

Our office is on the third floor in office space 3.50. You can use the elevator or the stairs. Once you reach the third floor, take a left turn into the long hallway. Notice the orange dog? Then you have arrived at your destination. It will all make sense when you see it. 😊

You are invited to work on your laptop from our office, before or after your appointment.

See you soon!
